Reference: eGamesLab

On April 24, 2023, at 11:00 am, the jury, composed of Prof. Pedro Campos (UMa), who chairs, Prof. Élvio Rúbio Gouveia (UMa), and Dr. Lucas Pereira (IST) to establish the evaluation of candidates for the Scientific Research Initiation Scholarship with the reference indicated above.

The criteria already established in the first jury meeting were applied.

There were 2 candidates for the positions in question, namely:

- Carolina Raquel Silva Luís
- Christopher William Powell

Candidate Carolina Raquel Silva Luís was admitted to the competition.

The candidate Christopher William Powell was not admitted to the competition because the proof of enrollment in the study cycle attached, identified in others, does not comply with the provisions of article 7.2 of the RBIMF: “degree, masters or non-degree courses, both offered in institutions belonging to the Portuguese higher education system.”

After applying the previously established criteria, the classification was produced according to the following table:

CANDIDATES	CRITERIA / SCORE					TOTAL
	a)	b.1)	b.2)	b.3)	b.4)	
Carolina Raquel Silva Luís	30	10	15	10	10	75

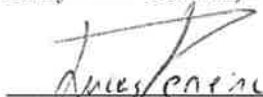

Thus, the jury decided to invite the candidate positioned in first place (Carolina Luís) to fill the vacancy in the contest.

There being nothing else to discuss, these minutes were drawn up and signed by the members of the jury, Prof. Pedro Campos, Prof. Élvio Rúbio Gouveia and Dr. Lucas Pereira.
